

# Psychometrist/ Psychological Associate/ Psychologist (Part-Time and Full-Time Opportunities)

Dr. Sala and Associates | Halton–Hamilton & Surrounding Areas

**Dr. Sala and Associates** is an inclusive private psychology practice providing high-quality psychological assessment and psychotherapy services to children, adolescents, adults, and families across the Halton–Hamilton region and surrounding areas. Our practice offers psychoeducational, mental health, Autism, and ADHD assessments for both children and adults, in **English and French**.

We are currently seeking **experienced Psychometrists/ Psychological Associates/ Psychologists** to join our growing team in **part-time and full-time** capacities.

## Position Overview

The successful candidate will be responsible for administering, scoring, and assisting with the interpretation of standardized psychological and psychoeducational assessments for children and/or adults.

## Key Responsibilities

- Administer and score standardized psychometric assessments for children and/or adults
- Assist in the assessment of learning disabilities, ADHD, Autism, Social-emotional and related concerns
- Prepare accurate and timely scoring summaries and supporting documentation
- Work collaboratively with supervising psychologists and the broader clinical team
- Maintain professional, ethical, and confidentiality standards in accordance with regulatory requirements

## Qualifications & Experience

- Demonstrated experience in psychometric testing with children and/or adults
- Experience with assessments for Learning Disabilities is required
- Eligibility for registration with the **College of Psychologists of Ontario** is considered an asset
- Strong organizational and writing skills and attention to detail
- Ability to work independently
- Fluency in English required; **French proficiency is a strong asset**

## What We Offer

- Competitive pay on a fee for service basis
- Part-time and full-time opportunities
- Flexible work hours
- Options for some **virtual appointments** and **work-from-home** arrangements
- Optional extended health benefits
- A supportive, inclusive, and collegial work environment

## How to Apply

Interested candidates are encouraged to apply by submitting their résumé and a brief cover letter to [admin@drsala.ca](mailto:admin@drsala.ca).
